

# INSECT CLEANER

## INSECT REMOVER

### Description

Rymax Insect Cleaner is an user friendly, intensive cleaner for eliminating insects from car bumpers and window shields. Its light basic properties together with its cleaning foam ensure endurance and protection for plastic and lacquered parts . Insects have never been eliminated so easily.

### How to use?

Before use, carefully read the directions on the packaging and act accordingly. The aerosol should have room temperature, the best processing temperature is 5 to 30°C. Before use, shake the aerosol.

Generously apply Insect Cleaner and allow to take effect. Remove the dirt, when necessary with a bug shifter.
