

LEATHER CLEANER

LEATHER SEAT MAINTANANCE SPRAY

Description

Rymax Leather Cleaner maintains durability and quality of leather car interiors. Because of its specific properties, it is able to keep the leather soft and water resistant. It reduces also dirt attachment in order to keep your leather and semi-leather in perfect condition for a long period of time.

How to use?

Before use, carefully read the directions on the packaging and act accordingly. The aerosol should have room temperature. Best processing temperature 5 to 30°C. Before use, shake the aerosol.

Before use, test the compatibility of the surface. The surface should be dry.

Equally spray the parts to be treated and allow several minutes to take effect. Polish with a dry, soft cloth.
