

RUBBER CONDITIONER

RUBBER MAINTANANCE SPRAY

Description

Rymax Rubber Conditioner is an user friendly spray for the rubber parts of car exteriors. It provides rubbers from freezing and drying properties and protects it against all kinds of weather influences. It is particularly suitable for conditioning the rubber parts and for recovering the original color.

How to use?

Before use, carefully read the directions on the packaging and act accordingly.

The aerosol should have room temperature. Best processing temperature 5 to 30°C. Before use, shake the aerosol.

The surface must be clean and dry. Apply Rymax Rubber Conditioner in a thin, equal layer and polish with a soft cloth.
