

LINDAX EP 00

EXTREME PRESSURE LITHIUM GREASE FOR BEARINGS

Description

Lindax EP 00 is a lithium thickened lubricating grease based on mineral oil. The grease contains antioxidants, corrosion inhibitors and EP/AW additives.

The product is a state-of-the-art multipurpose EP grease which can be used in various applications within given temperature limits. The lubricating grease offers good mechanical stability, load carrying capacity and corrosion protection.

Typical Properties

Type of Thickener	Lithium
Type of Base Oil	Mineral
Penetration 60 str. @25°C	°C 400/430
Base Oil Visc, @40 0C mm2/s	300
Drop Point, min °C	160
NLGI Consistency	00
4-Ball weld load (N)	2600
Water Resistance	1-90
Operating temperature °C	-30/110

Benefits

Lindax EP 00 is a high quality multipurpose grease that can be used in both industrial and automotive applications. The consistency of the product makes it suitable for use in centralised lubrication systems that require semi-fluid grease. The product is also suitable for use in gearboxes.

- Good mechanical stability
- High load carrying capacity
- Good corrosion protection
- Easy to pump at low temperatures
