

CRIUS

CHAIN SAW OIL

Description

Crius is a high-quality chain saw oil, based on high refined base oils with a special additive package to provide a very high adhesive strength to the chain to provide excellent lubrication properties and avoid oil loss. Crius is especially developed to lubricate the chain of chain saws so that this does not break or get jammed.

Crius is NOT suitable to lubricate the engine of the chain saw.

Benefits

- Excellent "tackiness" properties
- Very high adhesive strength
- Excellent lubricating properties
